Public hearing on the petition for rezoning – Tim Ryan/RTJ of South Florida, Inc.

Mayor Collins opened the public hearing on the petition for rezoning from Tim Ryan at 7:02 P.M. Mike Decker said the property is located at the intersection of Crisp Street and Iotla Street. He said Mr. Ryan has been working for a year to develop this property. Deborah Strum said I am an adjoining property owner. She said I also manage the Grandview Manor Care Center. She said I do not think that this is bad but there will be a high density of houses. She said growth is the best way to increase the coffers. Ms. Strum said Mr. Ryan has done a superior job of planning. She said the infrastructure is not up to Mr. Ryan. She said the Town needs to assure that Grandview Manor is as safe in the future as it is today. Bonnie Pickartz said this development should bring people to the downtown area. She said I am in favor of this development. Mayor Collins closed the public hearing at 7:07 P.M.

Consideration of rezoning petition

Mike Decker said you need to consider adopting the Master Plan and the Regulating Plan in addition to approving the rezoning petition. He said Tim Ryan has made minor modifications to the following: streets, lots, home occupations. Alderman Evans said fire protection and drainage are my main concerns. Fire Chief Pete Haithcock said it should be all right depending on how the on street parking was handled. Tim Ryan said the streets will be able to accommodate the fire trucks. Manfred Jundernatz said the drainage is a two phrase project. He said we will be looking at what is happening to the runoff. He said the plan is for the water to go back into the branch. Tim Ryan said about forty percent of the property will remain a green space.

Motion was made by Pattillo, seconded by Scott to rezone Tim Ryan from Residential to Traditional Neighborhood Development. Motion carried. Vote: 6 to 0. Copies are attached.

Discussion regarding use of the Burrell Building as town hall

Mayor Collins said in the recent few days an issue has come up that is of some merit. He said some of the board members have concerns. June Hernandez said I am a business owner and also the president of the Main Street Board. She said I support the move to the Burrell Building. Howell Derrick said you do not have enough facilities here. He said the taxpayers want this move to the Burrell Building. Alderman Scott said I don't know what the objections are. Mayor Collins said there is concern about the veneer siding on the outside of the building. He said we will have to check to see how easy it is to remedy the problem. He said we will get some estimates.

Persons to be heard

Bill Crawford said there are several persons speaking concerning the new McDonald's. Olga Pader read a letter from the Macon County Chapter of the Western North Carolina Alliance. A copy is attached. She said we want to establish a dialogue with McDonald's to discuss the following concerns: (1) exterior building appearance, (2) height of the sign, (3) lighting, (4) landscaping and grounds-keeping, (5) parking lot, (6) traffic, (7) impact of Little Tennessee River and (8) trash generation. She said we are asking the Mayor and Board to send McDonald's a copy of the Principles of Growth. Bill Crawford read a letter from the Little Tennessee Watershed Association stating that they would appreciate the use of porous parking surfaces that support natural ground water drainage and reduce storm water runoff and also request a vegetated buffer between the restaurant and the river that utilizes native plants and trees. A copy of the letter is attached. Mr. Crawford said I have four points that I request that the town address with McDonald's. He said the points are (1) the sign height, (2) permeable asphalt, (3) native plants for landscaping and (4) use earth tone colors. Bob Apsey gave out three pictures of McDonald's in different cities. Bill Vanhorn said you have the obligation to make Franklin a better place. He said I was very disappointed about the Board's quick action on the construction of the Wal-Mart. John Henning, Jr. said the Town has never adopted these standards. He said we are moving in that direction. Alderman Pattillo said persons have asked why we let the property be sold for a McDonald's. She said we cannot control the sale of private property. Alderman Curtis said McDonald's was already approved before the Principles of Growth was passed.

Motion was made by Scott, seconded by Pattillo to write a letter to McDonald's asking for a discussion of the following items: (1) the sign height, (2) permeable asphalt, (3) native plants for landscaping and (4) the use of earth tone colors. Motion carried. Vote: 6 to 0.
