

**APPLICATION FOR UTILITY SERVICE**

**Name :** \_\_\_\_\_

**Social Security No. or EIN Number:** \_\_\_\_\_

\*Provision of your social security number is voluntary. The Town of Franklin will not deny you service based on your refusal to supply your social security number. However, the Town of Franklin will require you to pay an additional deposit amount.

The social security number will be used to facilitate collection of delinquent utilities if you do not timely and voluntarily pay utilities. Using the social security number will allow the utilities (clerk ) to claim payment of any unpaid utilities bills from any state income tax refund that might be owed to you. Social security number may also be used to garnish wages and/or attach bank accounts to collect payment for these and any other obligations owed to the Town of Franklin.

Your social security number may also be shared with other local governments and other departments of this local government to facilitate the collection of utilities, taxes, and any other obligations. Otherwise, the Town of Franklin is obligated to keep your social security number private.
