### **New Business - Briefing on Whitmire Property**

Alderman Jamison - The asbestos removal has been completed. There are twenty-seven skids of native stone. My suggestion is that we offer the stone to the public for \$100.00 per skid. We would need to establish dates and times for pickup.

After some discussion, the Board agreed to this suggestion for disposing of the stone.

### **New Business - Discussion on Speed Limit Policy for the Town**

Town Manager Sam Greenwood said I am suggesting that you set a speed limit policy for inside town. He said the entrances into town would be posted with speed limit signs. Alderman Scott said I am not sure that the speed limit could be enforced unless each street is marked. Town Attorney John Henning, Jr. said the speed limit should be able to be enforced with only entrance signs. Mayor Collins asked the Police Committee and Street Committee to look at this idea. Mr. Greenwood said also we need to get with the North Carolina Department of Transportation and look at doing a traffic circle at the Chamber of Commerce. He said also planning needs to be done for the feeder streets on the Georgia highway starting with Maple Street.

### **New Business - Advocacy Items from the North Carolina League of Municipalities**

Sam Greenwood said the League wants to start a group to advocate before the North Carolina Utilities Commission as it reviews and approves rate cases from electric providers. He said this would include Duke Energy. He said the cost is unknown at this time.

## Legal- Draft of Drug and Alcohol Policy

John Henning, Jr. said we are developing a Drug and Alcohol Policy for the town. He said we need a policy for the personnel policy. He said the scope of the policy is as follows: (1) suspicion-based testing, (2) pre-employment testing, (3) safety-sensitive positions, (4) post-accident testing and (5) return to Work testing. Alderman Scott said I have a problem with the suspicion-based testing. Mr. Henning, Jr. said a standard of reasonableness would be used. Alderman Scott said what about the employee's 4<sup>th</sup> Amendment rights? Mayor Collins said .02 positive alcohol test seems too low. Mr. Henning, Jr. said the policy needs to be passed by resolution. Mayor Collins said each board member can get with Mr. Henning, Jr. or Ashley Hyder with any questions about the proposed Drug and Alcohol Policy. The Board took no action. A copy of the proposed policy is attached.
