*** Please view 154.05 of the Town of Franklin Wireless Telecommunications Facilities Ordinance for additional application requirements.*

Findings of the Board of Aldermen accompanying a favorable recommendation shall include:

1. The use or development is located, designed, and proposed to be operated to maintain or promote the public health, safety, and general welfare.
2. There are, or will be at the time they are required, adequate public facilities to serve the use or development as specified in Section 4.11 of the UDO.
3. The use or development complies with all required regulations and standards of the UDO or with variances thereto, if any, granted pursuant to Section 4.4.16 of the UDO.
4. The use or development is located, designed, and proposed to be operated so as to be compatible with the *particular* neighborhood in which it is to be located.
5. The Use or development conforms with the general plans for the physical development of the Town as embodied in the UDO, the *Principles of Growth*, the *Thoroughfare Plan*, and any other duly adopted plans of the Town.

The burden of establishing these findings lies with the applicant.

I certify that all information provided in this application is accurate to the best of my knowledge, information, and belief. By signing below, I certify that I have read the regulations regarding this facility in the Wireless Telecommunications Facilities Ordinance.
